

Songs to Open Our Hearts

*You are cordially invited to a Community Sing
with the Flagstaff Threshold Choir*

Monday, February 17, 2020, 6:30-7:30 p.m.

***Episcopal Church of the Epiphany
423 N. Beaver Street, Flagstaff***

We are all stronger and more resilient when we open our hearts to share with one another. To assist in that sharing, the Flagstaff Threshold Choir invites you to join us for a winter celebration of community and connection. Our singers will surround you with songs that foster compassion, loving kindness, peace, and healing. Everyone is welcome to sing along or to participate by simply listening.

The Flagstaff Threshold Choir is one of over 200 Threshold Choirs worldwide, a network of *a cappella* choirs of primarily women's voices. We honor the ancient tradition of women singing at life's thresholds. In groups of two or three, we sing songs from a variety of traditions to soothe, comfort, and bring peace. Our services are free; donations are welcome.

*Singing this song blesses me.
Singing with you blesses us.
My heart is searching for your heart.
Your heart is letting me find you.*
