Beginning each new year offers opportunities for healing, hope and peace. As we cross the threshold to this new year and move toward the light, the Flagstaff Threshold Choir invites you to join us as we share our voices with you. Our songs foster compassion, loving kindness, peace, and healing. Our harmonies, though virtual, are offered with caring and peaceful intentions for our community and our world.

The Flagstaff Threshold Choir is one of over 200 Threshold Choirs worldwide, a network of *a cappella* choirs of primarily women's voices. We honor the ancient tradition of women singing at life's thresholds. In groups of two or three, we sing songs from a variety of traditions to soothe, comfort, and bring peace. Our services are free; donations are welcome.

*I am sending you light  
To heal you, to hold you.  
I am sending you light  
To hold you in love.*
